HIGH SCHOOL

Dedication

The Class of 1950 takes great pride in dedicating this year's **Trojan** to Coach Sam Jones. Through his patience, his kind understanding, and his tireless effort during his long years of service at Knoxville High School, he has made for himself a special place in the hearts of the great host of students with whom he has come in contact.

In Memoriam

Thomas C. Prince

Former Superintendent of Knoxville City Schools

No words can be found to describe our sincere respect for him or the deep sense of our loss.

"He had the full measure of a man, and when he went, his going left a lonely place against the sky; the same as when a mighty oak has fallen." —Wordsworth

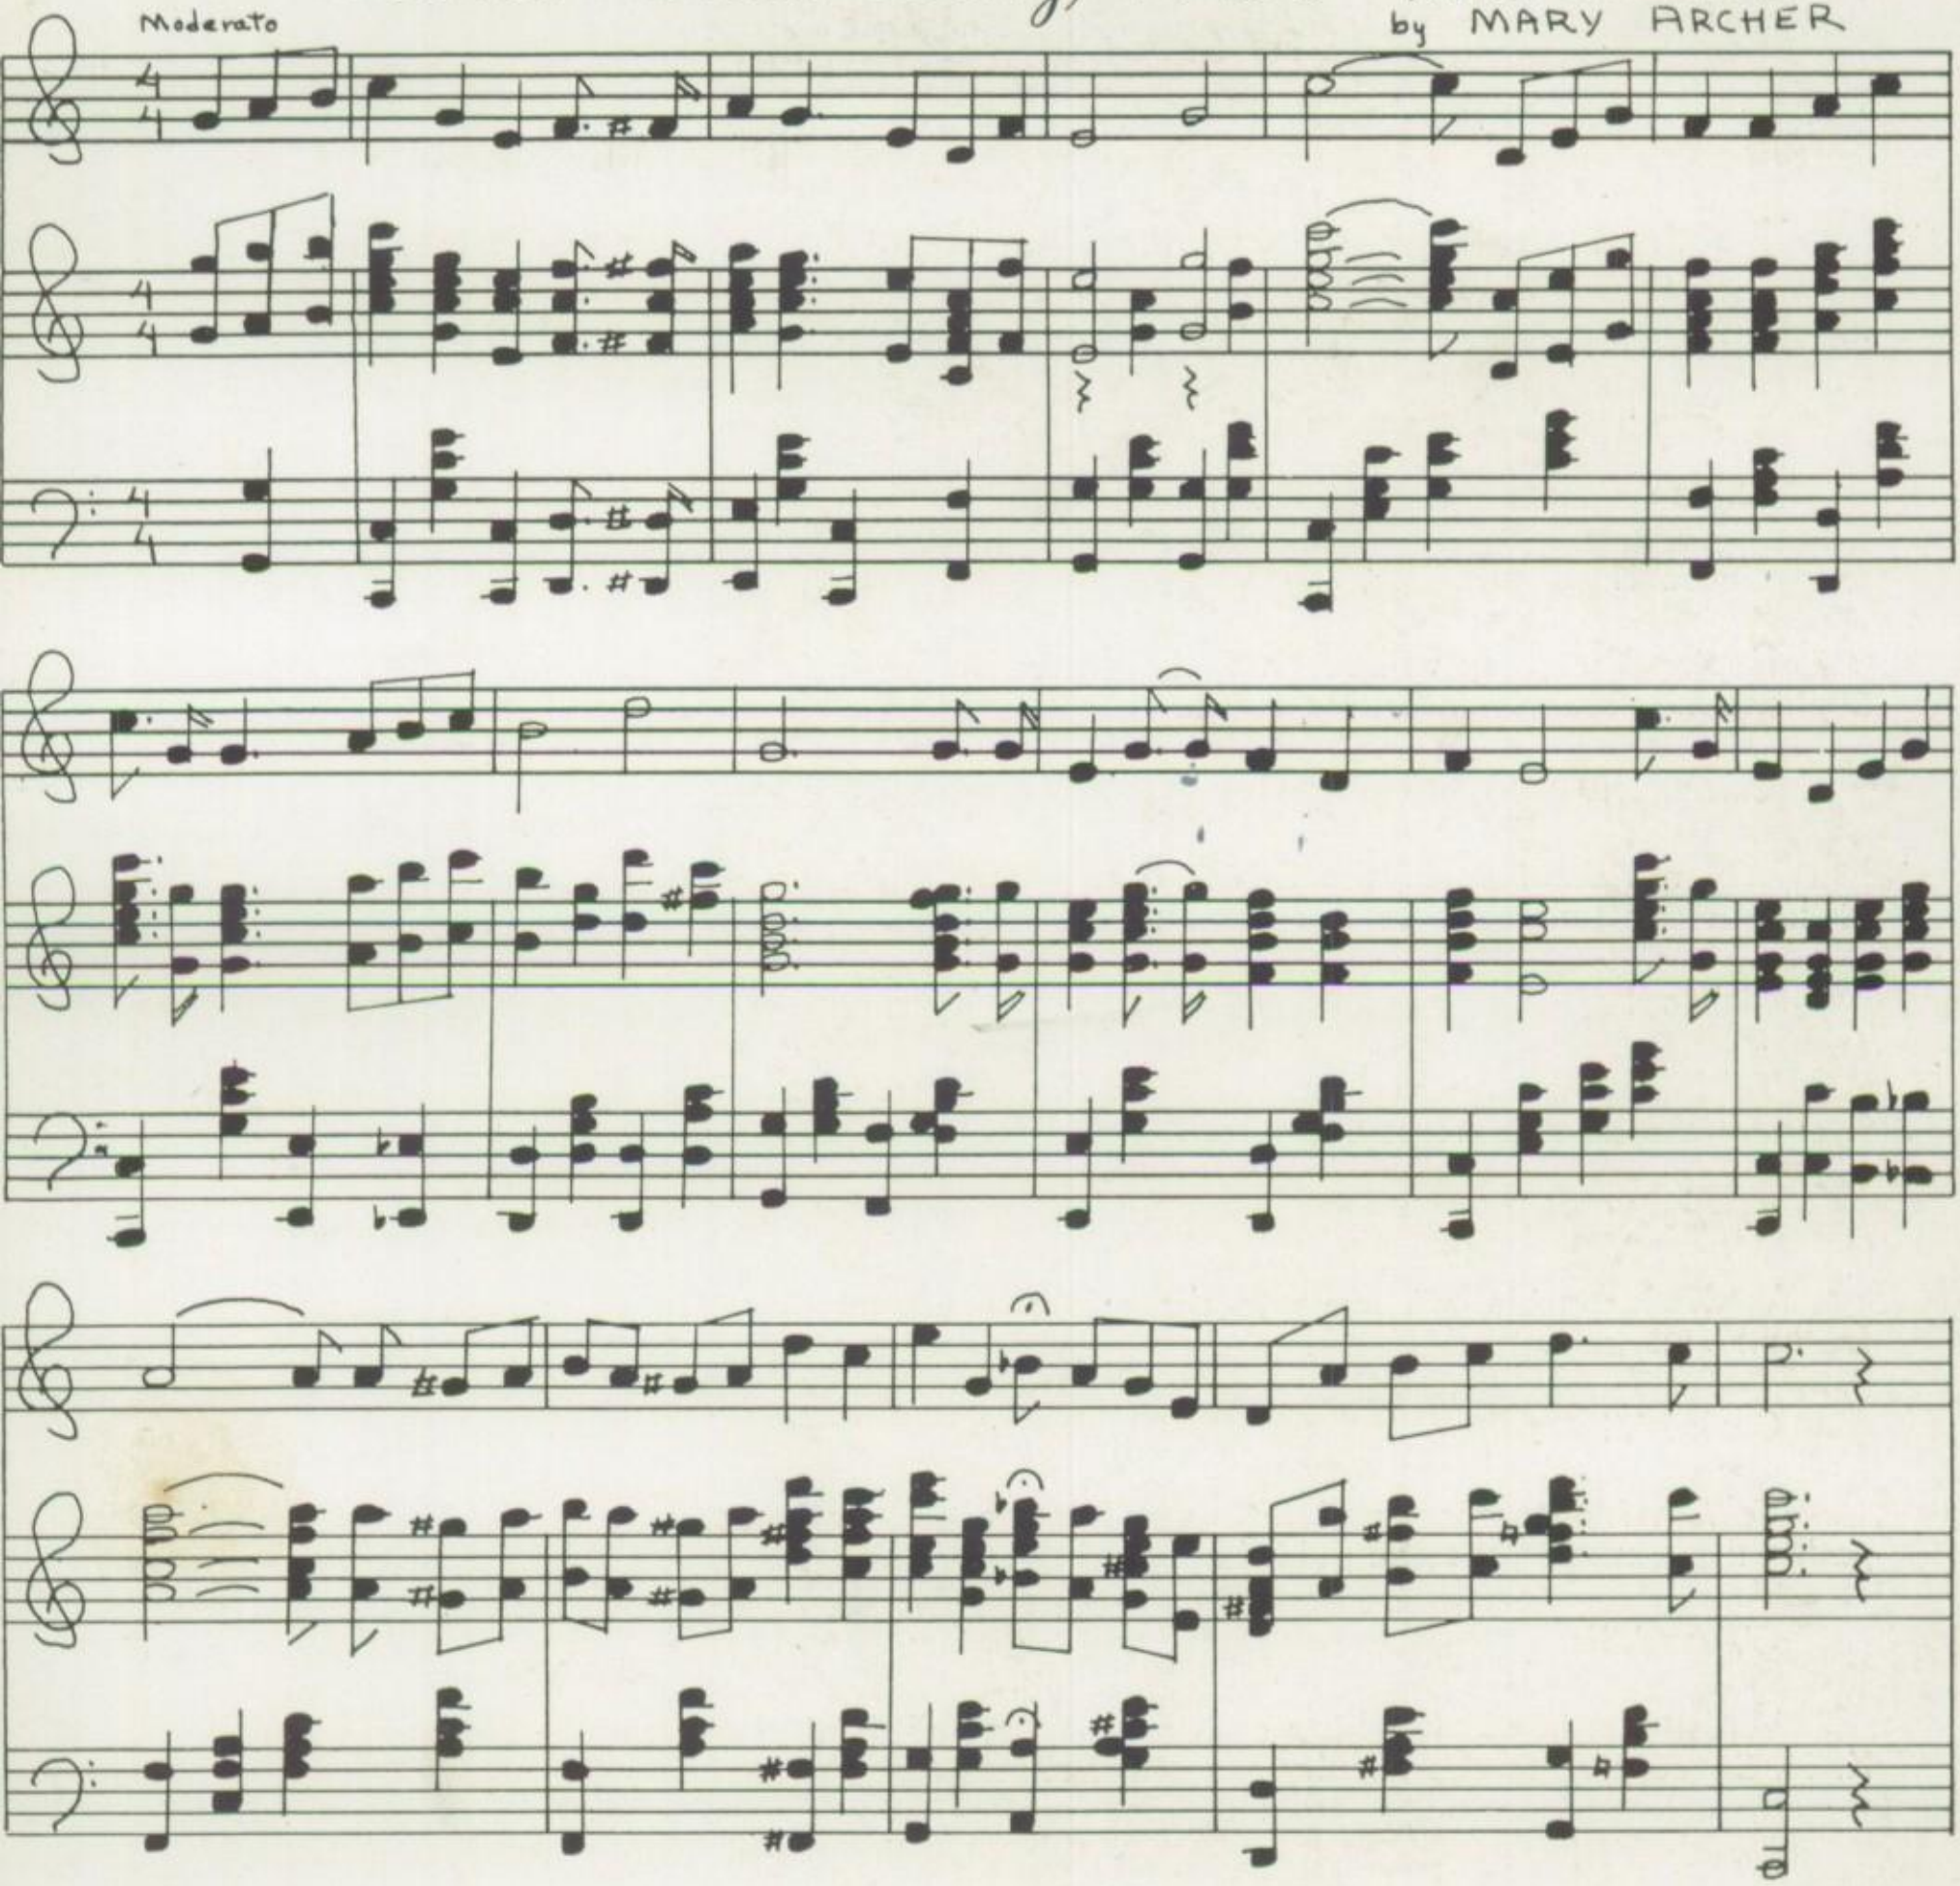
Senior Class Song, 1950

Words and Music
by MARY ARCHER

Moderato



To you, our dear old Knoxville High School,
We pledge our loyalty.
And may we ever hold thy spirit true
In cherished memory.
We will do our best to serve thee
Like a Trojan brave and true.
And pressing onward till our goal we shall attain,
We'll hold our standard high, the White and Blue.

And now, our dear old Knoxville High School,
When parting days draw near,
Re-echo sounds of tears and laughter
Through sacred halls, so dear.
As we bid thee farewell,
We'll hold thee in our hearts forever more.
And may our dear old Trojan Spirit ever live,
And to the heavens ever upward soar!

Will and Testament

We the Senior Class of Knoxville High School, being of sound (?) mind and good health, on this eighth day of June in the year nineteen hundred and fifty, and in the presence of witnesses, do solemnly declare this to be our last will and testament.

Clause I

To the rising talent of the fresh—men, we leave Mrs. Payne's "Folies Bergere."

Clause II

Hoping that they will reach their senior year with flying colors, we bequeath to the Sophomore Class our intestinal fortitude to withstand all trials and tribulations.

Clause III

We, the doodlers of the Senior Class, leave our priceless (nobody'll buy 'em) masterpieces in our textbooks to the Seniors to succeed us.

Clause IV

To future English and mathematics students, we leave the privilege of telling who is curly—Sanders or Turley.

Clause V

With due pride, we leave to the school the trophies and good records made by our football and basketball teams.

Clause VI

To Mr. Montgomery and future staff members, we leave, with all our heart-felt sympathy, the annuals yet to be published.

Clause VII

With tears in our laughing eyes as our time of demise draws near, we, the Seniors of K. H. S., do give to the Faculty our cheat sheets to be passed out next year.

Clause VIII

We, the Senior Class, leave.

SENIOR CLASS '50

We, the undersigned, set our hand and seal in witness hereof.

United States Reserve Officers Training Corps.

The R. O. T. C. Cadet Corps was organized in the Knoxville Public Schools the first of the school year of 1919 by Major M. Estes, Professor of Military Science and Tactics, and Major Dyer, Assistant Professor of Military Science and Tactics. Commanding officers since have been: Major Harry V. Stephenson, Col. R. R. Wood, Major E. C. Seeds, Lt. Col. John Moore, Capt. Keller Smith, Major Robert V. Vaupel, Col. Newman R. Burns, and Major James H. Cook. The present Professor of Military Science and Tactics is Major Warren E. Walters.

In the three-year course in high school R. O. T. C., the cadet receives instruction in many fields. These include: Close order drill, tactics of war, military courtesy, health, discipline, and organization. Futhermore, the R. O. T. C. strives to instill in each cadet the soldierly virtues of team work, self-control, and leadership.

The object of the course of instruction in the R. O. T. C. is primarily to lay the foundation of intelligent citizenship by inculcating in the student habits of precision, orderliness, courtesy, correctness of posture and deportment, leadership, and respect for, and loyalty to, constituted authority, secondly, to prepare the student for further military instruction which will qualify him for a position of leadership in time of National Emergency.

The rifle marksmanship course gives all cadets an opportunity to develop proficiency in trigger squeeze, position, and slight alignment in rifle fire. Those who demonstrate unusual ability make up the Knoxville High School rifle team. The thoroughness and effectiveness of this training is proved by the fine record of the team this year. It has won in several matches with neighboring schools and organizations.

This year the battalion, which comprises four commands, a staff, and a band, participated in the Armistice Day Parade and will give a formal review in May.

The big event of the year is the annual Competitive Drill, in which the best drilled company in awarded the Prize Company Flag by the American Legion. On this day the finals for the Morgan Medal and the Stone Medal are held, the former being awarded to the best-drilled second year cadet and the latter to the outstanding first year cadet. Also the Band Medal is given to that band member who receives the highest rating in the school of the soldier, military bearing and care of the instrument and uniform. To the best-drilled Honorary Cadet Officer the Daughters of the American Revolution awards the Sponsor's Medal, and to the best drilled cadet in each company goes the News-Sentinel Medal.

K.H.S. Football Captains

1949

RAY BYRD

Captain Ray, who made the All Southern Team, was the spark-plug of the Trojan team all season. He was perhaps the best fullback K.H.S. has produced. His fine spirit and sportsmanship helped the Trojans in many ways. He saved many games with his excellent play. Ray moves on to college next year and will probably be even more successful there.

1950

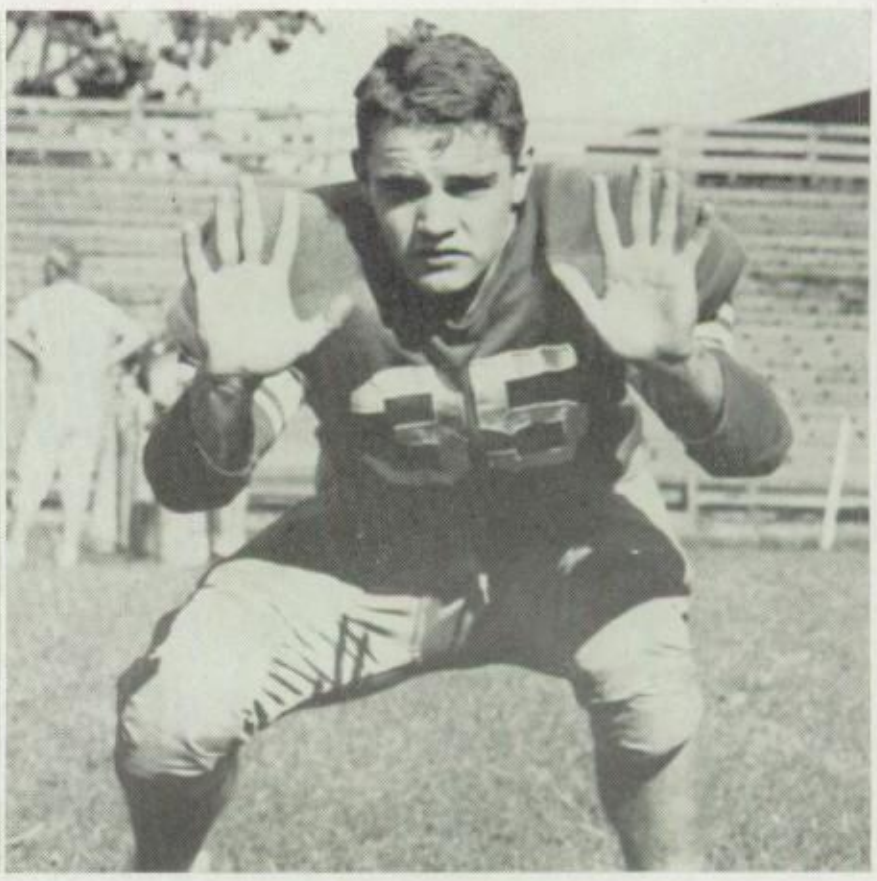
BOB FRY

Bob started the season on the second team but due to his fine play moved up to the starting team. He was great on defense and played his best in the Manual game. Bob's fine spirit and all around play was rewarded when he was elected next year's Captain by his teammates.

Alternates

HENRY HEINZ

Hank was a regular end from last year's squad. He was a standout all through the season. His greatness in blocking punts was proved by his blocking two punts in the Central game. Excellent playing earned him a place on the All-City Team.



JOHN HALL

John is probably the best guard that has come out of K.H.S. for some time. He was constantly in the opponents backfield. John, alt. captain of next year's team, will be back at K.H.S. next year displaying his same fight and spirit.

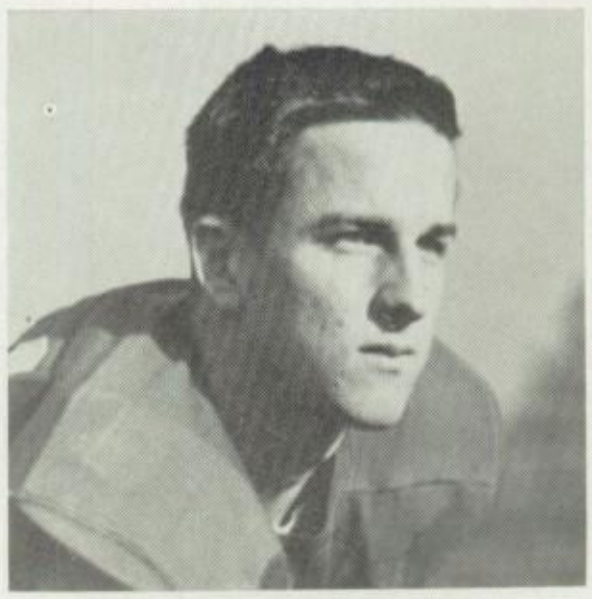
Trojan Standouts

REEVES BINGHAM

Reeves was a rugged player on offense and defense. He was at his best on offense. His ability to come through when he was needed helped the Blue and White in many ways. He will be back next year playing his heart out for the Trojans.

CURTIS BROWN

Curtis was a regular end at the first of the season. He was very good at catching passes which he proved in many games. Curtis hurt his back late in the season and was unable to play much in the Manual or Central games.



GAINES MORTON

"Cuz" Gaines was one of the stalwarts in the Trojan line all season. His vicious tackles and blocks made him a very definite threat to the opposing team. Gaines' fine play gained him a berth on the All-City Team. Next year he will cavort for the University of Tennessee.

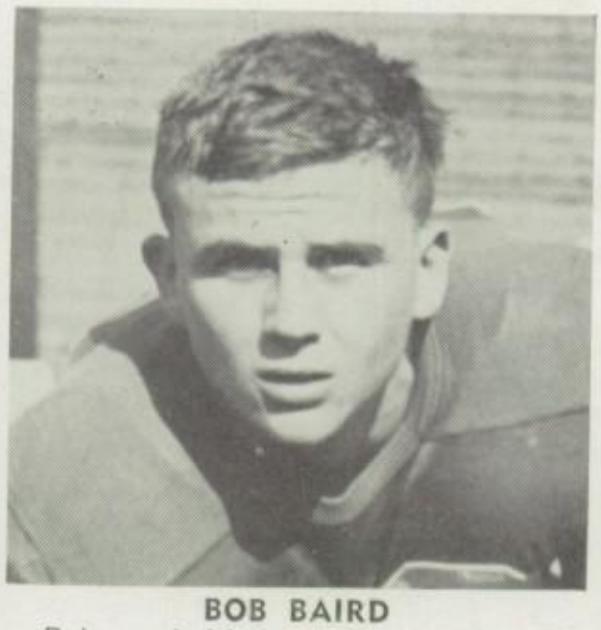
KENNETH SWAFFORD

BOB ROBBINS

Bob was one of the few boys left over from last year's team. His experience and good spirit was a real help to this year's team. Bob played consistant football throughout the season.

BRADY BROWN

BUDDY TATE

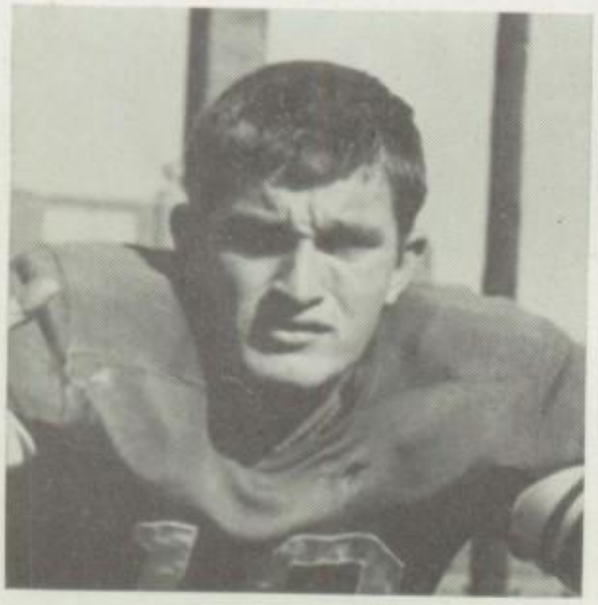


BOB BAIRD

Bob probably got less credit for fine play than anyone else on the team. Bob played consistently throughout the season. This unsung hero did his part well and to the letter in every game he played. He is a senior and will graduate in June.

DICK HATCHER

PETE MONROE



ROBERT SMITH

"Smitty" played rugged ball all season. He was always in the thick of the fight. Bob graduates from K.H.S. in January and has a well deserved scholarship to Castle Heights.

DAN DENNIS

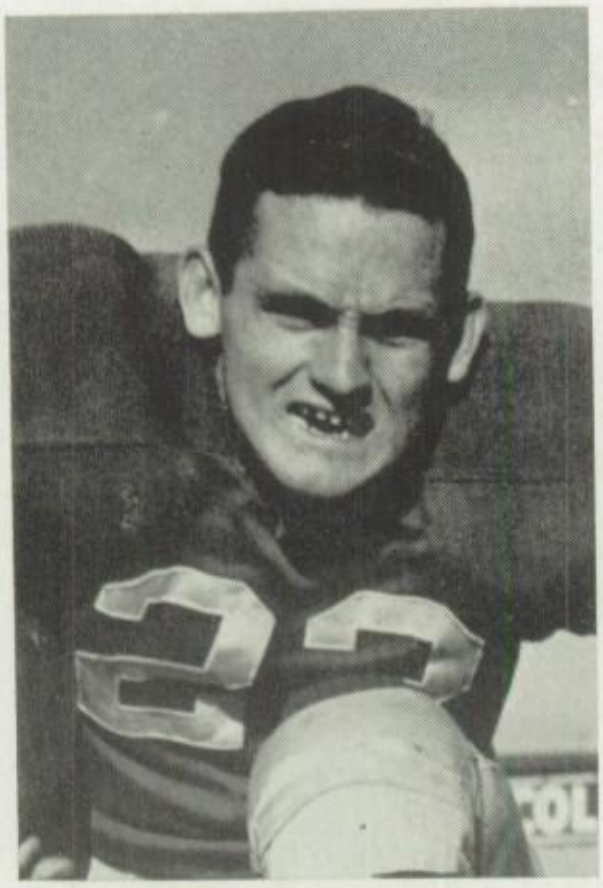
Robert Dennis

ROBERT PORTER

Backfield Stars



BILL BLACKSTOCK

Bill was one of the most versatile backs K.H.S. has ever produced. "Bye-Bye," a triple threat back, was repeatedly going through tackle and around end for large chunks of yardage. Bill will follow Ray Byrd and other Trojans to the Hill next fall.

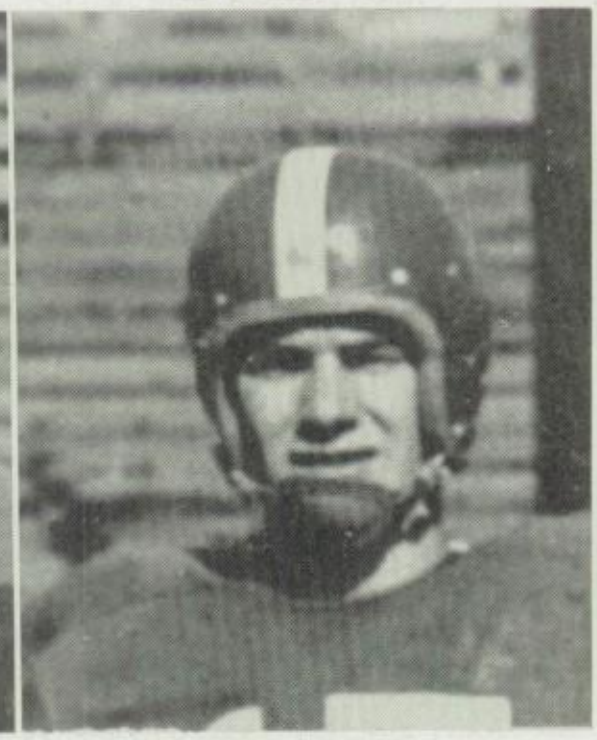
CHARLES BALES

WATT JENNINGS

Watt was a regular from last season. If it weren't for the fine blocking of Watt all season long, many Trojan plays would have been stopped at the line of scrimmage. Watt's experience and spirit helped the Trojan's win in many games.

BOB LOBERTINI

Bob played a whale of a game on defense. He was the best defensive back the Trojans had. He played well in all the games. Bob graduates from K.H.S. in June.



JIM BAKER

Jim was a good offensive player all year. He proved his worth in the Central game when he played a terrific game, scoring one touchdown and setting up another. Jim played his last game for K.H.S. in fine style.

The Trojans next took on the Kentucky State Champs, Louisville Manual High School. The Blue and White came out with a convincing 25-13 victory. Ray Byrd scored three touchdowns and one extra point to lead the scoring. Bill Blackstock scored the other marker.

KHS Alma Mater

Where the Tennessee is winding,
And the Smoky Mounts look down,
Proudly stands our Knoxville High School
Bearing nation-wide renown.
May our love for her ne'er falter,
May we ne'er have hopes less bright
For what to us is dearest—
The good old Blue and White.

Where scholarship is highest,
Where athletes meet the test,
Firmly stands our Knoxville High School,
Ranking first among the best.
While hearts are filled with courage
While arms defend the right,
We'll never stand less staunchly
For the good old Blue and White.

Pep Song

For when those Knoxville Fellows fall in line,
We're gonna win this game another time.
We're gonna yell and yell and yell and yell.
For Knoxville High we'll yell, and yell, and yell, and yell!
And then we'll fight, fight, fight, for every yard,
We'll send our backs against that line right hard—
And then we'll roll old county on the sod—on the sod—
K N O X V I L L E H I G H !

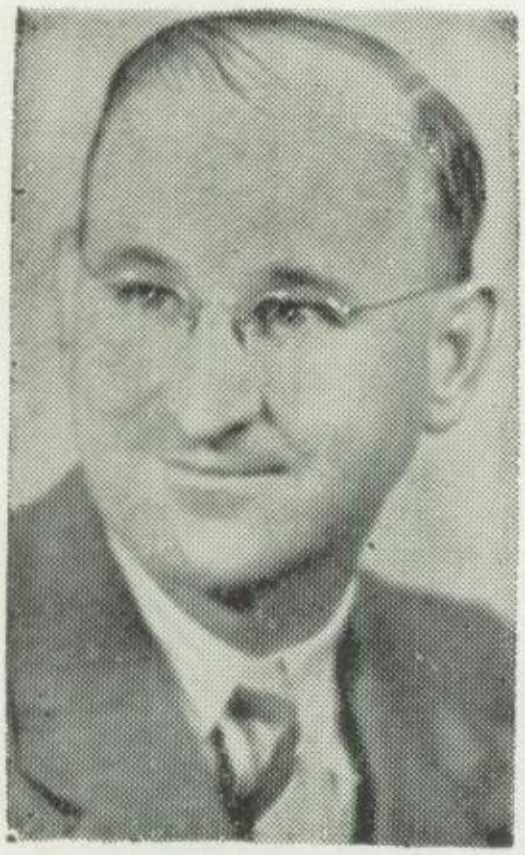
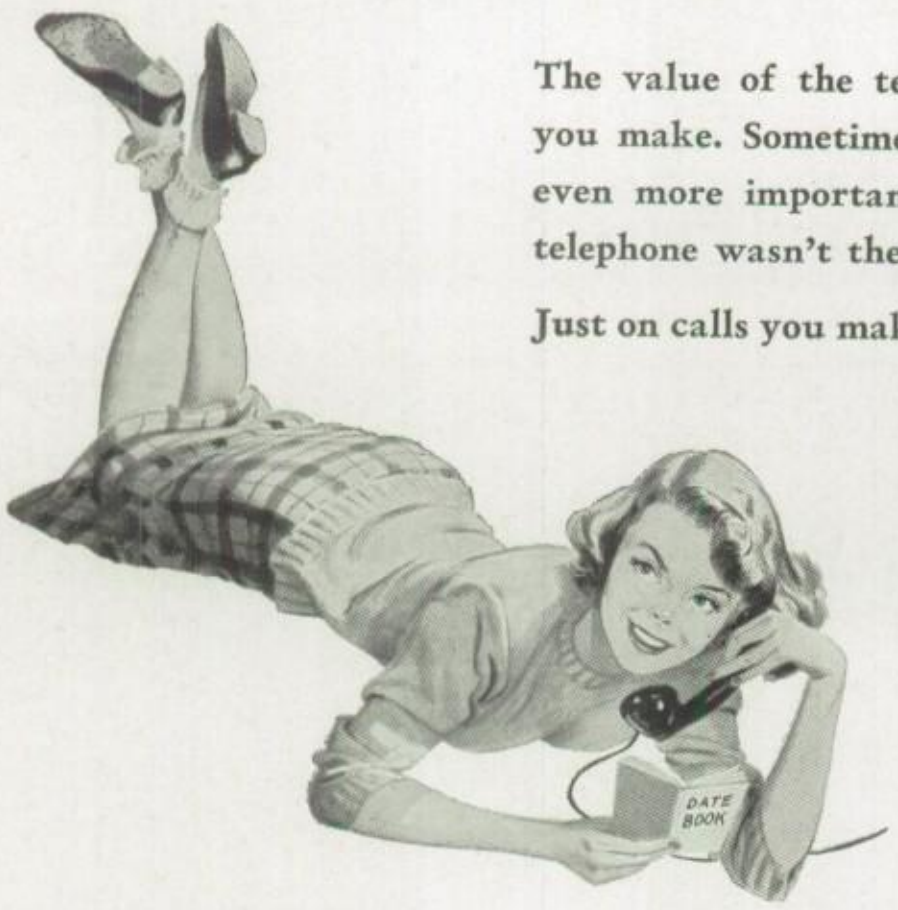
Cas Walker Says:



I have eight of the very latest modern super markets in Knoxville. Six of them never close. I buy direct from the manufacturer and sell direct to the consumer, eliminating a wholesale grocer's profit. Compare my prices on Nationally Advertised brands and be your own judge as to the super markets that save you the most money.

"Yes, Bill, I'd love to go"



The value of the telephone isn't just the calls you make. Sometimes the calls you receive are even more important. You'd miss a lot if the telephone wasn't there.

Just on calls you make, the telephone's a big bargain in convenience, security, success and good times. When you add the calls you receive, it's an even bigger value.
